

Hardware Checklist

Required hardware

- Console / PC
- Game discs / Games installed on console / PC
- Monitor (2x for “versus” setup)
- Power cable console / PC
- Power cable monitor
- HDMI cable (+ keyboard, mouse for PC)
- Controller / Arcade stick
- Charging cable controller
- Speakers
- Multi-socket (recommended: 6x Schuko or more) → CHECK SOCKET TYPE!

Recommended bonus hardware

- Headphones (3.5mm+6.3mm converter or 6.3mm)
- Headphone amplifier (1x in, 4x out)
- 3.5mm to 6.3mm audio cable
- HDMI splitter (only required for “versus” setups)

Things to check before leaving

- Games patched to the current version?
- Games linked to your main account? (Necessary for offline access)
- Controller charged?
- Ticket? (if required)
- Didn't leave my keys in the apartment?
